

2015 Fall/Winter – 2016 Spring Batting Cage Scheduling Policy

When looking at the schedule, please note:

1. We keep a half hour between teams.
2. No teams are scheduled before 1:00 PM on Sundays.
3. Teams must be done by 9:00 PM.
4. Cost is \$50/hr., \$75 for 90 minutes, and \$90 for two hours, \$130 for three hours, and \$170 for four hours.
5. The cages will be shut down for a weekend in late February or early March 2016 for the Annual CTK Hitting Clinic. This weekend is yet to be determined.
6. Payment **MUST** be made on the day of use, or a month at a time for regulars. We accept cash, check or money order. Any bounced check fees will be the team's responsibility.

Rule Reminders:

1. Please use the front doors only as your entry point. We need the rug runners to get the salt off of your shoes and roller bags before you get to the Astro turf.
2. PLEASE - there should be NO balls thrown at the walls. It breaks the mortar over time and causes damage. There are nets available to throw into for drills.
3. No pets are allowed in the building.
4. No food, drink (except water) or SEEDS allowed in the turf area.
