Our program is for people grieving the loss of a spouse, family member or friend. We want to offer you encouragement, comfort and caring during this difficult time. We are here to help ease the pain and answer any questions you may have about grief and loss. As this is a 13 week course, please contact your facilitator, Teresa, if you will not be able to make it to class. She can go over any materials you may miss. We are here for you.
